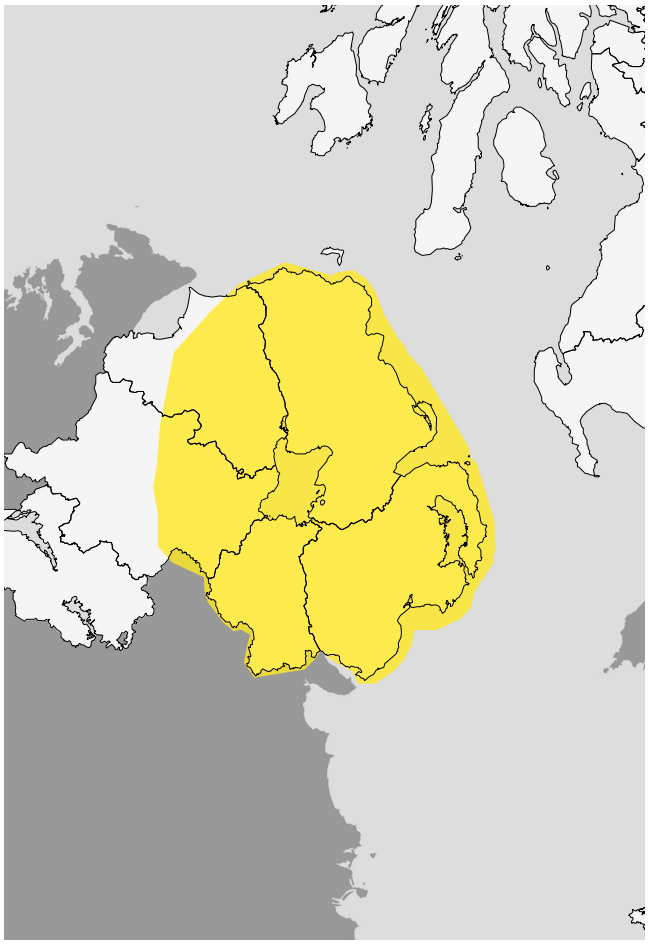
Yellow warning
Rain

Between
03:00 Mon 13 Nov 2023 and
14:00 Mon 13 Nov 2023



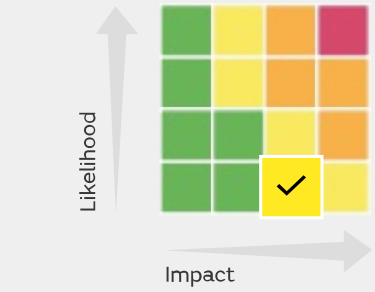
Heavy rain is likely to affect parts of Northern Ireland during Monday bringing disruption to travel

What to expect

- Spray and flooding could lead to difficult driving conditions and some road closures
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance that some communities will become cut off by flooded roads

Further details

An area of heavy rain is expected to sweep northeastwards across Northern Ireland during Monday morning. The rain is expected to be especially heavy in eastern parts where up to 40 mm of rain could accumulate within 6 hours. Much drier conditions are expected to follow during the afternoon.



Very low likelihood of medium impacts
